 - Discussion for Gault Field – he wants to sit in to listen on our thoughts. Main issue is wanting to make sure that the Little League has time to play because kids want to participate
 - Josh Lightman
 - Equestrian Center – he has concerns about the running the facility
 - Would like an Equestrian Committee. Kathy stated they used to have one and it ran well. (*Suggestion – we have two people who are familiar with the center and can bring ideas and issues to the board and POA through the Rec committee*)
 - Equestrian Center Footing – employees there should be able to drag the arena.
 - All should be trained – right now not enough are trained.
- **Member Comments**
